Projects

Interactive Front-End Application Project

Link to GitHub https://github.com/esbev/project-1-collab

Link to Deployed Project https://esbev.github.io/project-1-collab

- *First collaborative project in coding bootcamp. Combined 2 server-side apis to create a website that provides ideas for a date night and saves them in a history table.*
- *Concept development. Used Materialize framework to create responsive grid design and table. Some CSS styling.*
- *HTML, CSS, Javascript, Materialize*

Interactive Full-Stack Project

Link to GitHub https://github.com/akecs512/Travelogue-application.git

Link to Deployed Project https://travelogue-application-10ca673e5794.herokuapp.com/

- *Second collaborative project in coding bootcamp. Created a travelogue application to keep track of travels including destination, notes, and dates.*
- *Concept development. Used Handlebars.js for web page templates, backed by MySQL and Sequellize, and created GET and POST routes for retrieving and adding new data.*
- *Node, Express, Handlebars.js, MySQL, Sequelize ORM, Argon2*

Interactive MERN Stack Project

Link to GitHub https://github.com/akecs512/Git-Fit-Fitness-Tracker

Link to Deployed Project https://enigmatic-garden-97881-5a06f2d72820.herokuapp.com/

- *Third collaborative project in coding bootcamp. Created a fitness tracker application to keep track of workouts, calculate BMI, and evaluate types of workouts in the form of a generated pie chart.*
- *Concept development, CSS styling using Tailwind and DaisyUI, back-end logic with Apollo, GraphQL.*
- *MongoDB, Express, React, Node, ChartJS, Tailwind CSS, DaisyU*

Experience

Freight Team/Sales Associate   2007 – 2023
Home Depot   Austin, TX

As a sales associate, I assisted customers with solving their DIY projects by giving them the knowledge and products needed to complete their job. As a freight associate, I accurately packed out cartons as well as organized and maintained bays and overheads.

Key Accomplishments:

- *Associate of the Month 8 times*
- *Awarded 52 Homer Merit Badges*
